1. Heard the learned Counsel for the parties.

2. The petitioners are disabled persons. They were staying in some structures which appear to have been demolished as stated by them in November 2003. The petition is filed in July 2005 contending amongst others that since they are disabled persons they should be rehabilitated. The petitioners may represent to the State Government, firstly for that purpose to point out that they were having their structures prior to 1st January 1995. Secondly, they may also ask the State to provide particulars as to what are the schemes framed for the housing of such persons under Section 43 of the Persons with Disabilities (Equal Opportunities, Protection of Rights and

Full Participation) Act, 1995 in the event they are the persons having their structures prior to 1st January 1995. They must take further steps on receiving the necessary information.

3. Petition disposed of.
